

## QUALITY POLICY

Hulic spol. s r.o. is active in the fields of translation and interpreting services, service facilitation and business and financial consulting activities. The vision of the company's management is to earn a significant position in the area of sworn / official translations and its main goal is to continuously increase the satisfaction of its customers. For this reason, company management adopted primary responsibility for the quality management system within the company and is increasing the quality of provided services by engaging every employee to a higher degree. Company management, as a component of strategic planning, has defined these points for the quality policy:

- Continuous improvement of our services and the quality management system is our strategic goal.
- High professionalism and advanced language skills, at a native language level, among our suppliers are our priorities.
- Professional care for our customers is our forte.
- Complete legislative compliance is a given for us.
- Satisfied customers is our goal.
